   (A. 32 B. 30 C. 34 D. 28)

Part B.

November 9, 1989 was a historic day for people all around the world. This day marked the collapse of the Berlin Wall in Germany. This wall had divided the residents of Berlin for decades and was a symbol of “The cold War”. There was no fighting during the cold War, but it was a time when two political ideas tried to become dominant. These ideas were communism, which was supported by the Soviet Union, and democracy, which was supported by the United States. Eastern Europe was controlled by the Soviet Union, while the countries of Western Europe supported democracy. The eastern countries were said to be behind an “Iron Curtain”. The collapse of the Berlin Wall was just the first step in removing the Iron Curtain and allowing democracy to enter the rest of Europe and the Soviet Union.

( ) 41. In what year did the Berlin Wall collapse?

( ) 42. In what country was the Berlin Wall located?
   (A. The United States B. Germany C. The Soviet Union D. Western Europe)

( ) 43. Who supported communism?
   (A. Berlin B. The Soviet Union C. America D. England)

( ) 44. What were the countries of Eastern Europe behind?
   (A. A brass ring B. A steel trap C. An iron curtain D. A wooden leg)

( ) 45. What political idea was supported by the United States during the Cold War?
   (A. Democracy B. Communism C. Fascism D. Anarchy)

Part C:

There are many different calendars used around the world. Depending on what country you in and what religious beliefs you have, you might be using a different calendar than those around you. Some calendars are based on when a country was founded; this is the case in Taiwan. For Jews and Muslims, their religions have different calendars based on the beginnings of their religion. The standard calendar in the West has 365 days and 12 months; this calendar is said to be based on the sun. Another popular calendar is the lunar calendar. It is based on the cycles of the moon. In eastern countries the lunar calendar is often used to mark festivals and even the New Year!

( ) 46. How many months are there in the western calendar? (A. 10 months B. 11 months C. More than 20 months D. 12 months)

( ) 47. What country uses a calendar based on its founding? (A. The U.S.A. B. France C. England D. Taiwan)
